2. APPLY FOR A DBS CHECK

The guidance leaflet attached explains how to complete the online DBS application via this [link](#). The organisation reference you need is 'HUBCSE' and although the form asks you for a password, you do not need one at this stage. The position applied for has to be 'School Science Ambassador'. Please ensure that you complete your full five year address history and include all middle names.

*If you already hold an **Enhanced DBS Certificate with a Children's Barred List check for working with children** and are registered with the **DBS Update Service**, you may not need to reapply for a DBS check. Please contact us and bring a) your disclosure certificate b) your driving licence or passport to the induction session.

This service has only been available for DBS applications processed since June 2013. Applicants need to have registered for this service within 19 days of the issue of their DBS certificate.

3. COMPLETE ONLINE ID COLLECTION

Please complete this [Google Form](#) with your ID details and submit it to us a **minimum** of 24 hours prior to induction session you will be attending. **Please remember to bring the same ID documents with you to the induction.**

4. ATTEND INDUCTION SESSION

This includes information to support you as a STEM Ambassador and your ID documents are also checked at the same time to complete your DBS application. It is **essential** to bring all the required original ID documents, to correspond with your online Google Form, to the induction session.
