

**THINK POSTGRADUATE  
STUDY ISN'T FOR YOU?**

**THINK AGAIN.**

# EXPERIENCE POSTGRADUATE STUDY AT THE UNIVERSITY OF OXFORD. FOR FREE.

**UNIQ+ is a paid postgraduate access summer school that will give you the opportunity to carry out a six week research project at the University of Oxford.**

During the summer school you'll be under the guidance and mentorship of Oxford academics and current DPhil (PhD) research students, in our state-of-the-art facilities. You'll also receive:

- Free accommodation in one of our world-famous colleges
- A stipend of £2,500
- Mentoring from leading academics and current Oxford students
- Guidance on applying for graduate courses and scholarship funding
- Advice on how to improve your CV and career prospects

Applications are free, and open to UK residents who are currently studying, or already have, a degree at undergraduate level in a science-based subject from a UK university. We're looking for applications from talented individuals who would find continuing into postgraduate study a challenge because of socio-economic or financial circumstances – full eligibility criteria are available on the UNIQ+ website.

The University of Oxford is, above everything, a community of talented people working to push the boundaries of human knowledge. We have thousands of new students and staff arriving every year who bring a valuable and diverse range of experiences with them.

UNIQ+ will introduce you to that community and give you the chance to experience some of what Oxford offers its students for yourself.
