Open Arms Meet the Researcher talk available online

The video recording from January's Meet the Researcher talks from the UK EQUATOR Centre (Enhancing the QUALity and Transparency Of health Research) are now available.

Here is the link if you would like to watch it <https://youtu.be/V8j67Qa1osc?list=PLxgZRmc3EmH-0bLu00ArD20R-hpdpRSkL>

The Role of Public Co-applicants and Patient and Public Involvement Leads in health and care research

24 November 2022, 10.00 am to 12.00 noon - online

Explore the roles of Public Co-applicants and Patient and Public Involvement Leads in health and care research in this online [NIHR Research Design Service](#)(RDS) event.

About this event

The event offers a great opportunity to explore the roles of Public Co-applicants and Patient and Public Involvement (PPI) Leads in health and care research.

Who is the event for?

Public contributors, researchers and health and social care professionals who want to learn more about PPI Leads and Public Co-applicants, and the support available to them.

What will the event cover?

Through the sessions you will gain a better understanding of:

- The roles of Public Co-applicants and PPI Leads
- What makes an effective PPI Lead
- How to support Public Co-applicants effectively.

Event programme

- Welcome and Introduction
- The role of the PPI Lead
- The role and support of Public Co-applicants
- What does a funding committee look for?

· Q&A Panel.

A full programme will be made available shortly via the event registration page.

NDORMS Open Arms PPI group day

The NDORMS Open Arms PPI group team are planning to run a Patient and Public Involvement day at NDORMS next year. The event would be an opportunity for members of OPEN ARMS to find out more about the health research we do. They anticipate the event running from 10-3 pm with lunch provided and a tour of the research facility.

The team are keen to get a date in the diary as soon as possible, as we know how booked up things can become. They want to run the event on a day and time that suits as many people as possible and we would be grateful if you could complete this short survey <https://forms.office.com/r/MUduNC3fg9>

NDORMS Open Arms Meet the Researcher talk – 28th November 2022

Booking is now open for November's Meet the Researcher talks, we hope you can join us. We are continuing to run the talks in the hybrid format (in person and online).

We will have two talks from researchers. Rona Dickson will speak about “Does adding a cognitive behavioural approach to pilates improve outcomes in people with persistent low back pain?”. In the second talk, Simon Wood will discuss “Can pre-operative patient health questionnaires predict poor outcomes after surgery for hip impingement?”.

Booking: You can attend the talks **online or in person**. In either case, please register for this event - online participants will receive a link for viewing after registering. **Please book your place using this link** <https://forms.office.com/r/Kh08kpAb5h>

Date and time: Monday 28th November 2022, 1:00pm-2:00pm.

Refreshments will be provided from 12:30 pm for those attending in person.

Location: This event will be held in person at the [Botnar Institute for Musculoskeletal Sciences](#), Windmill Road, Oxford, OX3 7LD and as a Zoom Webinar.
