Patient and Public Involvement Newsletter

Issue 007, May 2024

News from the team

Thank you to our PPI members for all of your valuable input. Recently we have had very useful feedback on some grant applications, new members recruited into the PPI group, people joining studies as co-applicant, and PPI members attending a meeting on 'weightbearing terminology' in Birmingham. As always, we are so grateful for all that you do for us!

Meanwhile our research is progressing well, and we are branching out more into the field of Global Health, with new funding being awarded to our own Prof Simon Graham. Finally, Jess will be on maternity leave from late June, but cover will be provided by the team, via oxfordtrauma@ndorms.ox.ac.uk

Recent publications

A protocol for the conduct of a multi-centre prospective randomised superiority trial of surgical versus non-surgical interventions for humeral shaft fractures: The HUmeral SHAft (HUSH) fracture study

Marloes Franssen, Juul Achten, Duncan Appelbe, Matthew L. Costa, Susan Dutton, James Mason, Jenny Gould, Andrew Gray, Amar Rangan, Warren Sheehan, Harvinder Singh, Stephen E. Gwilym. **Bone and Joint Open**.

Training and resources

We would like to support you to take part in training courses and reading resources, if you are interested in doing so.

To facilitate this, we have added some links to the PPI page of the Oxford Trauma and Emergency Care website, of courses and articles that might be of interest: <https://www.ndorms.ox.ac.uk/Oxford-Trauma-and-Emergency-Care/Patient-and-Public-Involvement>

(the training and resources links are at the bottom of the page)

You can also contact us if you are interested in attending a Trial Management Group meeting as preparation for working as a co-applicant with us.

Upcoming events

NIHR Oxford and Oxford Health Biomedical Research Centres Joint Open Day 2024

Date: 30th May 2024, 10.00am-4.00pm

Location: Leiden Square, Westgate Centre, Oxford (<https://goo.gl/maps/3ep2QSUJQdnsFRVf6>)

Content: There will be a range of stalls showcasing research from across the University, funded by the Oxford and Oxford Health Biomedical Research Centres

Booking: No booking is required—you are free to come and look at the stalls (including the NDORMS one)!

Meet the researcher (Open Arms)

Date: 24th June 2024, 1.00-2.00pm

Location: Zoom / Botnar Institute for Musculoskeletal Sciences, Windmill Road, Oxford, OX3 7LD

Content: There will be talks by Alireza Hasheminasab and Amelia Doran.

Booking: Please book your place using this link <https://forms.office.com/pages/responsepage.aspx?id=G96VzPWXk0-0uv5ouFLPkLeWi5jCM9DpqrCOcTP4M1UNEpGTkFJV1kyMkw0RTBXRkc3WlJR>
